Malpractice Management System

Description:

A malpractice insurance registration and billing management system. It allows clients to make online payments, gives administration dashboard view of their data and

LINK: <https://creator.zohopublic.com/tinashe8/malpractice-cover-management-system/form-perma/Business/YpepYzdSuas2qxfByPAz64vnzPUVks41XF3ePG51pP9Mq7NDTppQa9yZXPqy0ytrSNyBQpZGUDbzC5ZtjR2mgrpCGrD6G9pfJQT>

Features:

- Google Drive to store malpractice policy document
- PayFast payment gateway for processing payments online
- ability to customize the scenarios of documents processing and registering;
- highly scalable as it seamlessly integrates with Zoho CRM and G Suite

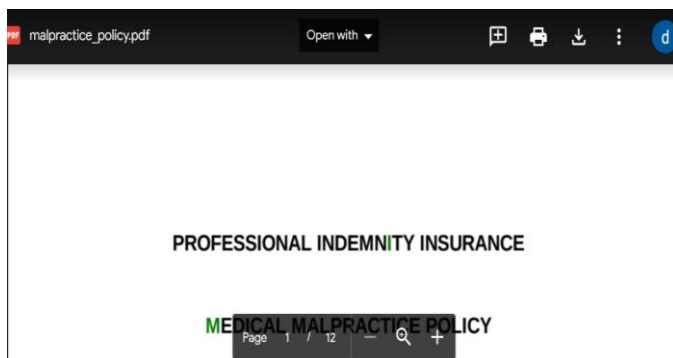

Technologies used: PayFast API, Zoho Email Service, Deluge Scripting, Google Drive API

The screenshot shows a registration form for 'Medical Malpractice Insurance Cover'. The form is divided into two main sections: 'Business Details' and 'Personal Details'. The 'Business Details' section includes fields for 'Business Name', 'Contact Person', 'Company', 'Type of Practice (Specialty)', 'Latest Annual Gross Revenue (R)', 'Compensation Level', and 'Branch Address'. The 'Personal Details' section includes a 'Physical Address' and a series of yes/no questions regarding the insured's status, such as 'Is the insured (physician and therapist) not REGISTERED to the BPPC?', 'Is the insured is described in BPPC's and has been established for more than 2 YEARS?', 'Is the insured does NOT have actively, described operations or declared medical from OUTSIDE OF BPPC's?', 'Has the insured partners and principals and employees have not been subject to any disciplinary action, lawsuit or punishment, or been the subject of any investigation alleging misconduct?', and 'Has there been been NO Professional Indemnity CLAIM made against the insured in the past 10 years?'. At the bottom, there is a 'Consent' section with a checkbox for 'I agree' and a 'Clear Data' button.

The screenshot shows the PayFast payment gateway interface. At the top, it says 'Test Merchant' and 'Secured and powered by PayFast'. Below this, there is a message: 'You're in the sandbox. This is a testing environment used to ensure correct integration with PayFast. If unexpected, please contact the merchant you are trying to pay to resolve the matter.' The main section displays the payment details for 'DERMATOLOGY Malpractice Cover'. It shows a 'Payment total' of 'R 6845.00 ZAR'. To the right, it shows the user's balance: 'You have a balance of R 99,991,022.62'. Below this, there is a table with the following data:

Payment total	R 6,845.00
From balance	-R 6,845.00
Remaining balance	R 99,984,177.62

At the bottom, there is a 'CANCEL' button and a message: 'Having trouble with your transaction? Let us help you' with contact information: '+27 (0)21 360 4455' and 'support@payfast.co.za'.

QR Code HIV Screening System

Description:

The system was developed to improve the efficiency of the HIV testing process and provide real-time statistics of HIV testing within a designated region.

Features:

- QR Code reading
- Camera integration
- Mobile and web application interaction
- Customizable dashboard

Technologies used: MySQL, CSS, Deluge Scripting

Picture	Code	Result Value	Date	Added Time
	QR-305	Non - Reactive	Monday	27-May-2019 01:46:50
	QR-304	Non - Reactive	Monday	27-May-2019 01:45:36
